

PRESENTS:

READY TO GROW: Providing Support for Thriving Development

Join Recovery of Hope's Neufeld Institute trained counsellors for an evening full of insight and story, painting a picture of what children need most to foster growth and development. Discover the power you have to nurture the children in your care to reach their potential.

Andrea Dyck, MA Counselling Psychology, Certified Canadian Counsellor, Therapist and Parent Consultant at Recovery of Hope

Bree Jordan, MA Counselling Psychology (candidate), practicum student at Recovery of Hope, Faculty of Neufeld Institute
